Who Can Use This Release

ALL Walmart Motorola CLIQ XT users

Instructions for Installing Software

For a successful installation, we recommend installing these updates while the battery in your phone is at least 50% charged. Make sure you have an active SIM card installed in your phone.

If you have received a notification message for this update:
1. Select "Download"
2. After the software is downloaded, select "Install now"
3. After the software is installed, your phone will re-start automatically
4. Your phone is now updated with 1.32.27 software

If you have not received a notification message for this update:
1. Select the Settings icon in the main menu
2. Select "About phone"
3. Select "System Updates"
4. Select "Download"
5. After the software is downloaded, select "Install"
6. After the software is installed, your phone will re-start automatically
7. Your phone is now updated with 1.32.27 software

If you have difficulty with this update, visit www.myfamilymobile.com

Additional Information

Certain features, services and applications are network dependent and may not be available in all areas; additional terms, conditions and/or charges may apply. Specific functionality and features with each software version of Android may vary. Contact your service provider for details.
